How to find us

Bolesworth Estate is close to major road networks and offers easy access to the Chester, Manchester, Liverpool and the South of England via the M56, M53 and M6 and to North Wales on the A55.

Our main estate office is located directly off the A41, approximately 7 miles south of Chester.

Turn off the A41 at Chowley Lodge onto a private drive about 1 mile north of the Broxton roundabout (A41/ A543).

Follow the private drive all the way to Bolesworth Castle, passing a lodge with white gates and past the lake on the left.

Drive up to the rear of the Castle and the Bolesworth Estate Office can be found beneath the stone archway.
